Eat, Drink, and Smoke Cannabis at

AMERICA'S ORIGINAL CANNABIS CAFE

A bright and airy oasis in West Hollywood, Cannabis Cafe will boast two outdoor patios as well as a garden bar and indoor dining space. Floor-to-ceiling windows will expose breathtaking outdoor patios lined with Moroccan and Spanish tiles. Touted as America's first cannabis café, Cannabis Cafe will offer a variety of cannabis consumption options in addition to world-class cuisine helmed by Chef Andrea Drummer.

Cannabis Cafe

Our full campus will boast two outdoor patios, garden bar, indoor dining space and an abundance of outdoor options, encompassing 20,000+ sq. ft. Cannabis Cafe groundbreaking space provides the perfect venue for any occasion: intimate dinners to extravagant soirees, brand activations, concerts, retail pop-ups and more. We work closely with our clients to create a unique and unforgettable experience for you and your guests.

The Lounge

The Lounge is our modern take on late-nineteenth and early-twentieth century cannabis tea pads. We've created a luxurious space in which guests are transported to a time when casual cannabis consumption was the norm in American society. Flavorful aromas of tantalizing herbs and mouthwatering food fill the air in this sophisticated space. With a DJ booth, full service bar and large banquet seating; The Lounge is perfect for curating unforgettable cannabis experiences.
